## Communication Is the Key to Success

First off, thanks to you, the members of IASYC for having the confidence and trust to elect me as your Commodore for the coming year. I will work hard to fulfill my obligation for which have elected me.

Communication is the key to success. This Association cannot run with just me, the Bridge or an individual Noble, we need to work together. As Potentate, my message was "Together We Shine" and I believe that as much today as I did in 2008.

If you did not make the summer meeting you missed out on some good discussion on the future of IASYC and how we can make our association stronger. Financially, we are strong but if we continue down the path we are on we will suffer in the years to come. We cannot continue to give money to the 1st Lady's program each year and have funds left over for our operation budget. So, what does that mean? Fundraising is a definite area we need to concentrate on. The one suggestion discussed was a raffle for a boat, motor and trailer. It's a consideration, and we need to put our heads together to work out the nuts and bolts to make it happen.

I plan on sending out a monthly "e-blast" to all the members so they know what is happening with IASYC.

Please give the Bridge and me the feed-back we need on ideas and suggestions. If you have ideas, we need them. Now is the time to start making plans for the winter business meeting for next year. It will be in Las Vegas from March 17th-20th and tentatively at The Rio Hotel. Information and registration will be sent out later this summer and fall so you can join your fellow Association members for a fun trip and meeting. Look for us on Facebook as well. There are a lot of pictures from Daytona there.

Thank you again, and I again look forward to serving as your Commodore.

Fraternally,  
Larry Tipton PP  
Commodore

# Continued International Growth Brings Excitement to IASYC

Focus on Membership Development Has Resulted in New Clubs Around the Globe!

IASYC is growing great in New Members. The growth is as a result of the past few years concentrating in Membership development by your IASYC Bridge and appointed District Commodores & Port Captains.

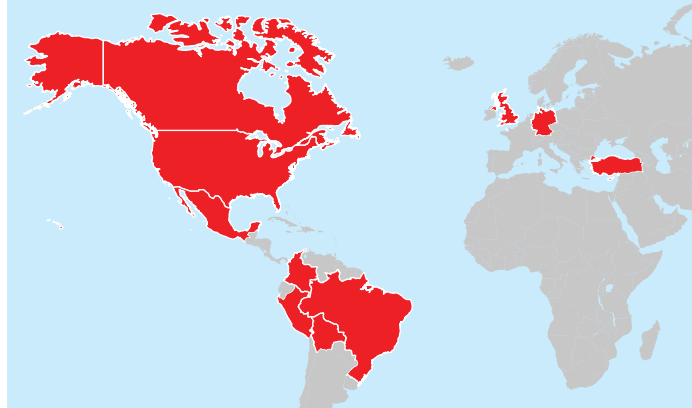

Recent Appointees are: Ioannis Kardassopoulos of Emirat Shrine Center-Port Captain for Greece & Danial Seville of Oriental Shrine Center for the State of New York.

Another factor resulting in Membership Development is the forming of New Mariners Shrine Clubs. They are:

- Karnak Shrine Mariners Club, Montreal Ca.
- Bolivia Shrine Mariners Club, Bolivia
- Emirat Shrine Mariners Club, Germany
- Hikmat Mariners Club, Brazil

Forming new clubs is a win-win for everyone. It brings new life to the Shrine Center; it gets everyone excited and enthused about being a Shriner and belonging to a Mariners Yacht Club. It increases membership in IASYC.

IASYC has recently formed an Appointees Shoulder Board Club. To

become a recipient, the Appointed IASYC District Commodore or IASYC appointed Port Captain has to recruit 5 New Nobles into IASYC. He will receive a pair of special Shoulder Boards to be worn on the epaulets of his White Uniform Shirt.

IASYC has really gone International; other Shrine Centers want to become affiliated with IASYC.

If your Mariners Club does not have an Operational Procedure Manual, you can request one from the Bridge or by emailing

me at: [des.hov@gmail.com](mailto:des.hov@gmail.com).

It is essential for us as Shriners and for the future of our Shriners Hospitals for Children that we continue our search for new Masons who will move on to become a Shriner.
