ITINERARY HIGHLIGHTS

 PRINCESS

Fort Lauderdale, Florida

This southern Caribbean cruise sails round trip from Fort Lauderdale, FL, so plan to stay a day or more before or after your cruise to take advantage of this area, including the white sandy beaches, dozens of lush green golf courses, outdoor cafés, chic boutiques, and a lively art scene.

Kralendijk, Bonaire

Compact and easy to navigate, the capital city of Bonaire, called Kralendijk, has more than enough to keep you occupied for the day. Bonaire has one of the Caribbean's most incredible reef ecosystems in Bari Reef and some of the best views of Kralendijk from the lookout point at the Sera Largu. The signature bird of the island, the flamingo, is a protected species that you can see from the Flamingo Preserve on the southern tip of the island. Arguably, Bonaire's best attraction is the variety of coral and the abundant scuba diving opportunities.

Willemstad, Curaçao

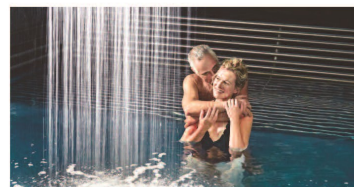

Curaçao features beautiful beaches, clear waters, and incredible diving and snorkeling opportunities. During a day in Willemstad, stroll along Willemstad's Old Town and quaint harbor, both designated UNESCO World Heritage Sites. Soak up the sun at Mambo Beach, or discover local culture and history on a museum-hopping tour.

Oranjestad, Aruba

Aruba, the Dutch Caribbean island famous for its white powdery beaches, is located 15 miles off the coast of the northern Venezuela, South America. You'll dock at the island's capital and port city, Oranjestad. From there, the choices are endless.

Discover the island's diverse terrain from its arid interior with cactus forests to the palm-fringed coastline

Sea Days

Enjoy four days at sea relaxing by the pool or participating in one of many planned activities. We will schedule a private group meeting onboard along with several special dining events. Try your luck in the Vegas style casino or spoil yourself with a spa treatment. Whatever your interest, there is a wide variety of amenities/activities onboard!
